Sunset Supper at Vista Point

Enjoy a festive dinner party at Vista Point, the highest hilltop on Jordan Estate. Your evening will begin with a Champagne reception and hors d'oeuvres at the Winery Chateau. Guests will travel in style through our 1,200-acre estate to the Vista Point pavilion and experience a seated, four-course meal paired with multiple vintages of Jordan wines. Dining al fresco, you will be surrounded by vineyards and panoramic views of Sonoma County at sunset in its entire summer splendor.
