# YEAR'S BEST U.S. CABERNETS

*December 2020*

## 2016 CABERNET

**91 POINTS**

*The cherry gentleness of Jordan's style comes through in this 2016, both rich and airy in its tart red fruit. You might find notes of cranberry and pomegranate layered over the cherry scents, the moderate weight of the wine leaving room for food, whether an array of roast autumn vegetables, thick-cut lamb chops, or both.*
