VINEYARD

60 acres of new grapevines have been planted; 30 more projected in 2020.

PEOPLE

Three women now lead winemaking, viticulture and finance.

WINERY

The Bacchus courtyard, library, cellar room and guest suites are being remodeled.

FARM

13 calves have been born in the last two months.

TASTE WHAT'S NEW THIS MONTH

The spirit of hospitality shines brightest in dark times. That's why Jordan is using this unusual pause in business to reinvest in our vineyards and our winery, ensuring that the best vintages always lie ahead. Uncork a bottle of the 2015 Jordan Cabernet Sauvignon—our first vintage aged entirely in French oak—to taste what's new.
