

JORDAN WINERY CABERNET SAUVIGNON SONOMA COUNTY ALEXANDER VALLEY 2021

The nose is slightly restrained and intriguing, with graphite, dried herbs, black cherries, red cherries, anise and stones. The palate is incredibly silky and complete, with rose petals in the finish. A very pretty cabernet that is wonderful now and will reveal more with time. Drink or hold.

JORDAN WINERY CABERNET
SAUVIGNON SONOMA COUNTY
ALEXANDER VALLEY 2019

Plush and savory, this wine is beginning to show tertiary aromas of dried herbs, flower petals, earth, fresh mint and juicy cherries. Although the fruit is beginning to cede to savory notes, it is still fresh, lively and delicious, with silky tannins. Tasted from a magnum. Drink or hold.
